

## HEALTH CARE CONSUMERS' COUNCIL MINUTES

The Health Care Consumers' Council was held at 1000, Tuesday, 19 Nov 2013, at the Naval Health Clinic Patuxent River (NHCPR), Command Conference Room.

HMC Kilcoyne, LCPO Preventive Medicine, NHCPR (Attachment 3): Our goal is to have 90% of active duty vaccinated against the flu by 16 Dec 2013. If you have 20 people or more at your Command that need to get vaccinated, please contact us; we will come to your Command and hold a shot event. Please email HMC Kilcoyne, [marie.kilcoyne@med.navy.mil](mailto:marie.kilcoyne@med.navy.mil) if interested.

CAPT Grzesik, Department Head, Dental Clinic, NHCPR (Attachment 4): We are focused on Dental Readiness, specifically Class III's (undeployable status). Treatment that was normally sent out in town locally will now be sent to Walter Reed; this is for cost-saving measures. Of course treatment acuity will always be taken into consideration.

CAPT McDonald, XO, NHCPR: Navy Medicine must recapture care. NHCPR falls under Navy Medicine East (NME). NME has a 54 million dollar cut in its budget; NHCPR has to cut \$975,000. Recapturing care, meaning sending our patients to other military treatment facilities (MTF) rather than to a civilian, will assist in saving money. Being seen by another MTF benefits the patient as well; we utilize the same database; therefore, we are able to view all clinical notes and able to keep up with our patient's care. Additionally, civilians do not know the intricacies of our jobs like a military health care provider does. In order to save money, we are also not acting upon many of the facilities projects that we had slated to complete. We are doing this rather than decreasing staff because that would cause an access to care issue. If going to another MTF for treatment is causing you a financial hardship, the Navy and Marine Corps Relief Society (NMCRS) may be able to help you. Also, inform your Chain of Command.

LT Wah, Patient Administration Officer (Attachment 5): The Medical Records department needs at least five business days to prepare your record for you when PCSing or going TAD and four weeks to prepare your record when retiring.

CAPT Hearn, Director Healthcare Services, NHCPR: CAPT Hearn, Director Healthcare Services, NHCPR: If/when we receive civilian reports of your care, we scan them into your record. You have an electronic medical record as well as a hard copy. Echoing what the XO said, it benefits you to see a military provider. When you see a military provider, we will always have access to the clinical notes.

HM2 Toussaint, LPO, Aviation Medicine: MRRS and AHLTA (your electronic medical record) do not link and that is why you may be marked as delinquent with your PHA even though you completed it. We have to physically go into AHLTA and update it; it is not simultaneous.

HN Bruno, Aviation Medicine (Attachment 6): The website takes about one week to transfer to PRIMS.

CAPT Hearn, Director Healthcare Services, NHCPR: Currently, we're at 2.1% readiness; this is outstanding. If you would like a rodeo, call Aviation Medicine 301-757-2027.

CAPT McDonald, XO, NHCPR: Please remember to come in for your PHA during your birth month; it helps with flow and access to care.

Ms. Ashton, Health Promotions, NHCPR: The Great American Smokeout is this Thursday, I'll be at the NEX. Please utilize youcanquit.org for posters and handouts. Thanksgiving is coming; in order to burn 1600 calories, a 150lb person would have to walk 9 hours and 15 minutes. Ship Shape begins in January 2014. Email me if interested, [mindy.ashton@med.navy.mil](mailto:mindy.ashton@med.navy.mil).

Ms. Rudy, Case Management, NHCPR: The case management department is here to help active duty and family members with things such as making appointments, coordinating care, family issues and information and referrals. Please utilize us; we are here to make things easier for you. You do not need a referral to see us.

CMC Lloyd-Owen: I'd like to recognize the Case Management department. They helped me step by step and helped me understand the process I had to go through. It is a really good resource that is under-utilized.

Mr. Carpenter, TRICARE Service Center Administrator: If you would like a TRICARE brief, please call me at 301-866-6060. There is a proposal that all TRICARE Service Centers located in MTF's will be going away as of April 1, 2014. If this occurs, beneficiaries can utilize the 877-TRICARE number, TRICARE websites ([hnfs.com](http://hnfs.com), [mytricare.com](http://mytricare.com), [tricare.mil](http://tricare.mil)) or NHCPR's Health Benefit's Advisor. More information will be passed as it is obtained.

Jenna Mulliken, MedStar St. Mary's Hospital Health Connections (MSMH) (Attachment 6): Please see our Health Living publication for classes. We've extended our Express Care hours at the Charlotte Hall location; you can walk in or make an appointment to be seen. We have the Pick-A-Date campaign; you can pick a date for your mammogram by going online ([MedStarStMarys.org/Mammo](http://MedStarStMarys.org/Mammo)) or calling (301-475-6399).

CMC Lloyd-Owen: I've had to utilize the MedStar St. Mary's Hospital Emergency Department recently and it was the best experience that I've had at an ED.

Maureen Farrell, Director, NMCRS: Please help us get the word out that the NMCRS is here to help. By the time people get to us, their issues are insurmountable. We assist with financial hardships as well as having the Visiting Nurse's Program. We are located on Pax, bldg. 401, 301-342-4739.

Ms. Quinn, Customer Relations Officer, NHCPR: Ms. Quinn, Customer Relations Officer, NHCPR: We are looking at changing the format of this meeting to a Patient and Family Advisory Council. The Council would consist of NHCPR staff members and patients in each of the beneficiary categories. We would meet to discuss policy and procedural amendments and what is best for the customer. We have instituted ICE. Please click the ICE logo on our clinic's webpage (<http://www.med.navy.mil/sites/paxriver/Pages/index.html>) to rate us.

CAPT McDonald, XO, NHCPR: We are looking at a Patient and Family Advisory Council as a new format, information will be passed as it is obtained. We've created an ICE site so that we may get honest, real-time feedback; please utilize this site.

The meeting adjourned at 1100. Representatives were asked to pass information from this meeting to all members of their Commands.

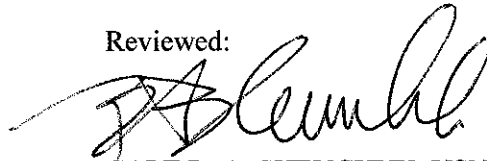

The next Health Care Consumers' Council meeting is scheduled for Tuesday, 21 Jan 2014 at 1000. If a representative would like to have a topic covered at this forum, please contact Ms. Quinn, Customer Relations Officer 301-995-4980.

Submitted:

CAPT M. VERNERE, NC, USN  
COMMANDING OFFICER  
NAVAL HEALTH CLINIC  
PATUXENT RIVER, MD

Reviewed:

## **HEALTH CARE CONSUMERS' COUNCIL**

**Tuesday, 19 Nov 2013**

**1000-1100**

**Naval Health Clinic, Conference Room**

1. Welcome and Opening Remarks – XO, Naval Health Clinic Patuxent River
2. Public Health and Infection Prevention – HMC Kilcoyne
3. Dental Readiness – CAPT Grzesik, Department Head, Dental
4. Medical Records – LT Wah, Patient Admin. Officer
5. Medical Readiness Update – HM2 Toussaint, LPO, Deployment Health
6. Health Promotion – Ms. Ashton
7. Case Management – Ms. Rudy
8. TRICARE – Mr. Carpenter, TRICARE Service Center Administrator
9. MedStar St. Mary's Hospital – Ms. Mulliken
10. Closing Remarks – Naval Health Clinic Patuxent River
11. Next Meeting: 21 Jan 2014 @ 1000

## Dental Readiness

There is a poster with ODR & DHI listed by command located in the dental reception area

- Oct ODR 95.0% DHI 72.8%
- Sept ODR 95.3% DHI 72.8%
- Aug ODR 96% DHI 73.9%
- JUL ODR 95.8% DHI 71.1%
- JUN ODR 96.4% DHI 68.7%
- May ODR 96.1% DHI 68.1%

## No Shows

Each "no show" for dental procedures=

**\$491.64** loss

- OCT 3.20%
- SEPT 2.35%
- AUG 4.98%
- JUL 4.72%
- JUN 3.18%
- MAY 4.63%

Attachment 4, P. 3

## Dental Manning

Dentists: clinic is currently manned at 50%

- Is a significant impact on access to care, range of services
- New GS hire is progressing
- ODR has dropped slightly
- Treatment focus is on Dental Class 3's
- Referrals to Bethesda and ADDP will be utilized when appropriate
- Hygienists: we've reduced our dental hygienists by 0.6 FTE. Currently, access is excellent. DHI stable.

Attachment 6, p. 2

## MEDICAL READINESS

- ✓ We've sustained Shore Indeterminate Medical Readiness (IMR) below our goal of 6% for three months.
- ✓ Current Shore IMR: 4.0%.

## MEDICAL READINESS

### **Post Deployment Health Assessments (PDHRA)**

- Last briefing: 26 delinquent PDHRAs
- This month: 11 delinquent (4 due, 7 overdue)
  - This number is fluid and always in flux due to members PCS'ing
- Readiness and Customer Service are NHCPR strategic goals!
  - Increased provider EDHA access to 95%
  - Available appointments
  - Incomplete PDHRAs will prevent members from participating in PFA cycle .
  - Website takes about 1wk to update information to PRIMS

Attachment 6, p. 3

## MEDICAL READINESS

### Physical Activity Risk Factor Questionnaire (PARFQ)

- Any member who responds "Yes" to a question on the PARFQ and/or personnel seeking a waiver require a medical appointment with PCM
- NH CPR structuring appointments to accommodate the increase demand during PFA season (Oct-Dec)

## MEDICAL READINESS

## MEDICAL READINESS

### Process improvements

- ✓ Effective 19 November, PHA will be moved to a centralized location (RM 264)
- ✓ LT Ayala departs in December
- ✓ Mrs. Meyers will be lead nurse for PHA
